Fire Department Millage Renewal Placed on Ballot

BY MARGARET O'KELLEY

At the May 22nd Township Board meeting, Fire Chief David Russo introduced a 20-year millage renewal to be placed on the August Primary ballot. He advised the current millage was due to expire in 2003.

Clerk Bowers immediately made a motion to approve the 20-year millage as a renewal on the ballot. Trustee Carey supported the motion.

Trustee O'Kelley questioned the term "renewal" since it increased the years from ten years to 20 years. He felt it was technically not a renewal because of this.

The Township attorney said that it was considered a renewal because the rate was the same. Later in the discussion he said according to the tax code it was considered a renewal.

O'Kelley persisted that by doubling the years it was a new proposition and should be viewed as a new proposal. He asked the chief to help him in the history of the millage. The chief confirmed the original millage request was for 5 years and then later approved

approved for ten years.

O'Kelley concluded his remarks by stating he was not in favor of putting the citizens "on the hook for twenty years." He said he would support the renewal but only for ten years.

Trustee Adkins said she agreed and said the residents have "been socked quite heavily with additional taxes." She went on to say she was more comfortable with ten years. She liked the idea of giving them the choice of allowing the citizens to come back in ten years.

Trustee Carey said, "I don't think any of us sitting here have the right to say that twenty years from now the people of the community will still want to pay that tax." She complimented the fire department as a "wonderful group" and appreciated everything they're doing. However, she said she was uncomfortable with asking for twenty years.

Treasurer Skrzycki also expressed his concern over the term renewal and changing it from ten to twenty years.

Supervisor Mitchell spoke at length about his support for twenty years. He said that services needed to be provided to the Township whether it was for five, ten, or twenty years from now.

He went on to ask why should we pretend we are going to be able to find a different funding mechanism other than millage? He used a leap of logic when he stated the 20-year millage would make the Township operate

on a leaner basis.

Skrzycki asked the chief if it is easier to predict 10 years or 20 years in advance. The chief responded that it was easier to predict on a ten-year basis and reminded the Board that they are on a five-year financial plan.

Trustee Krause asked what would happen if the renewal failed. The chief responded that it would affect the services. He cited three possible examples, the inability to purchase new equipment, payments for current vehicles would come out of the general fund and they may have to go to private EMS service.

After additional comments reinforcing the need for ten years instead of twenty years Clerk Bowers agreed to amend

her motion to state ten years.

The following language will appear on the August ballot: "Shall the previous voted increase in the total tax rate limitations that may be imposed for all purposes upon property in the Charter Township of Huron, Wayne County, Michigan, be renewed for levy at 2.0051 mills (2.0051 per \$1,000) of state equalized valuation of all property within said Township for a period of ten (10) years, the years 2003 to 2013, both inclusive, to provide funds for the operation and maintenance of the fire department; which levy will raise in the first year of the levy approximately \$670,073.47? (This is a renewal of a fire millage presently being levied.)"

Ice Cream Social Is A Hit

BY MARGARET O'KELLEY

On June 20, 2002, the Huron Township Historical Society held its annual Ice Cream Social at the Samuel Adams Historical House in downtown New Boston.

There were at least 120

guests in attendance. Everyone seemed to appreciate the progress of the restoration. The rooms have been painted and so has most of the trim. The doors are in the process of being refinished and Nora and Sandy have done a beautiful job of wallpapering the kitchen.

The ice cream girls for the day were Barb Gibbs and Nora Adkins. They really deserve a big thank you for their hard work. The delicious ice cream came from Gibbs Sweet station.

Dusty Fiddles provided the entertainment with their vintage mountain tunes played on

guitars and dulcimers.

Please join the Huron Township Historical Commission and Society in their celebration of the fifth annual

Historical Days on the second Saturday in September. Hope to see you there.

There will be a party in downtown New Boston on June 29, 2002, and everyone is invited. The Starting Line, a new pub and restaurant, is holding an open-house style Grand Opening. They will be having food and drink specials throughout the day and entertainment will include a Classic Car Show and Children's Events.

The Starting Line is family owned and operated by Sheila and Steve (Mom and Dad), their children Lori, Brian and Chuck and their niece, Deanna Tabor, the cook. It has always been Sheila's dream to own a pub and restaurant and you will always find her there from 10:00 AM until closing.

Their daily specials, Sunday through Wednesday, vary but on Thursday there is always a Steak Fry and

Ladies Night from 9:00 p.m. until midnight with bottled beer at \$1.50 and Bacardi Silver at \$1.75 and on Fridays there is a Fish Fry. A limited menu is available after 9:00 p.m. A much larger menu is predicted for the future. A Senior Citizen and Childs' menu being available ensures the menu is designed to be affordable for everyone.

Other specials throughout the week include NASCAR Sundays with racing-named drinks and Happy Hour

Monday through Thursday, from 4:00 p.m. until 7:00 p.m., and Saturday and Sunday, from 12:00 Noon until 3:00 p.m.

They will be offering different forms of entertainment, which will include Comedy, Karaoke and Live Bands.

Sheila wanted everyone to know, "Our doors are open, come join us, we welcome all customers, both eaters and drinkers. You are welcome to stay as long as you wish."

Editors Note: We checked it out, the food was delicious and the atmosphere was warm and friendly.

MGM Grand Detroit Welcomes Oak Ridge Boys

BY GEORGETTE
HERON-WILLOUGHBY

Summer is definitely here! The MGM Grand Detroit Casino has jump-started the season with their 2002 "Sizzlin' Summer Sundays" concert series. Lorie Morgan and Sammy Kershaw kicked off the series on May 26.

The Casino hosted The Oak Ridge Boys, who revved up Detroit with their very own unity of Country and Gospel on June 2nd. The Oaks have a very distinctive style to their show with a fusion of sweet soulful tones and such high energy it rivals the techno world. Their fans claim that this combination makes for the richest form of entertainment.

Some of Country Music's finest bands such as Alabama and that Statler Brothers have announced their retirement from the business. When I inquired about the status of the Oak Ridge Boys, Joe Bonsall state, "we'll keep singin' til God says it's time." The band has truly stood the test of time; they have actually been around since 1943. Of course, there

have been 30 different members over the years, as well as some changes in their style. Except for an eight-year period from 1987-1995 when Steve Sanders replaced William Lee, the Oak Ridge Boys of today are the most recognized with lead singer Duane "Ace" Allen, "the Golden Oak" William Lee Golden, "Philly" Joe Bonsall and Richard "the Bass" Sterban. This particular group of members has been very busy during their reign. Since the early 70's they have cut eleven gold and three platinum albums and one double platinum as well as numerous indelible singles like *Elvira*, *Bobbie Sue* and *American Made*. One of the secrets to their success is that they keep it real with love in the music they sing, unlike others who croon about drinkin' and cheatin'. In this era of boy bands, these boys are still on top of the stack.

The opening band for the evening was Tony Phillips.

The series continues June 9 with Crystal Gayle, see the ad in this week's paper.

Editors Note: Diamond Rio

will be appearing under the special events tent at 5:00PM Sunday, June 30th. Call 1-877-888-2121 for additional info.

Knights of Columbus Honor Knight of the Year, Family of the Year at Annual Awards Dinner

The Father John L. Hubert Knights of Columbus Council #5446 of Flat Rock, recently held their Annual Awards Dinner Dance.

Two selected committees reviewed the members of the council to determine the most eligible members for the Knight of the Year and the

Family of the Year award. For the year of 2001, Woodrow Patterson was selected the Knight of the Year, awarded to that individual who best

represents the best of the best. Knight Patterson was active in the council, church, community, and other activities.

Thomas and Diane Duford were selected for Family of the Year. The requirements for this award are similar to the knight: active in council, church community, and other activities.

A special award, Heart of Gold, was given to Joseph

Oro, a council member for over 25 years, who has always been available to help at council activities when needed.

The dinner was well attended and Jan's Catering served another great meal.

Three new knights were taken into the Council in May, Father Santos, St. Roch's Parrish, John Yuhas, and Thomas Watson.
